Agenda

1. Tie Local Statuses to Decision Codes
2. Run exports and reports for end-of-cycle data
3. Download PDFs in bulk
4. Deactivate templates that won't be used in new cycle
5. Initiate Transfer Settings
6. Review users' accounts for new cycle access
7. Q&A

What is a cycle wrap-up?

- Finalize your admissions process internally
- Report your final applicant decisions to associations
- Extract information from WebAdMIT into your Student Information System (SIS), if needed

©2023 Proprietary and Confidential

How do I prepare for a new cycle?

- Deactivate templates that are no longer needed
- Transfer templates for use in a new cycle
- Review users' accounts for access to the new cycle
